**U.S. DEPARTMENT OF EDUCATION
WASHINGTON, DC 20202**

INTRODUCTION

The Consolidated State Performance Report (CSPR) is the required annual reporting tool for each State, the Bureau of Indian Education, District of Columbia, and Puerto Rico as authorized under Section 8303¹ of the *Elementary and Secondary Education Act (ESEA)*, as amended by the *Every Student Succeeds Act of 2015(ESSA)*².

Paperwork Burden Statement

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless such collection displays a valid OMB control number. The valid OMB control number for this information collection is 1810-0724. The time required to complete this information collection is estimated to average 35.00 hours per response, including the time to review instructions, search existing data resources, gather the data needed, and complete and review the information collection. The obligation to respond to this collection is required to obtain or retain a benefit under the Elementary and Secondary Education Act (ESEA), as amended by the Every Student Succeeds Act (ESSA). If you have any comments concerning the accuracy of the time estimate(s) or suggestions for improving this form, please write to: U.S. Department of Education, Washington, D.C. 20202-4537. If you have comments or concerns regarding the status of your individual submission of this form, write directly to: Office of Elementary and Secondary Education, U.S. Department of Education, 400 Maryland Avenue, S.W., Washington, D.C. 20202.

¹ SEC.8303. Consolidated Reporting – (a) In general: In order to simplify reporting requirements and reduce reporting burdens, the Secretary shall establish procedures and criteria under which a State educational agency, in consultation with the Governor of the State, may submit a consolidated State annual report. (b) Contents: The report shall contain information about the programs included in the report, including the performance of the State under those programs, and other matters as the Secretary determines are necessary, such as monitoring activities. (c) Replacement: The report shall replace separate individual annual reports for the programs included in the consolidated State annual report.

1.2 STUDENT ACADEMIC ACHIEVEMENT AND PARTICIPATION IN STATE ASSESSMENTS

This section collects data on student academic achievement and participation in the State assessments.

Note: States are not required to report these data by the racial/ethnic groups shown in the table below; instead, they are required to report these data by the major racial and ethnic groups that align with their accountability system.

1.2.1 Academic Achievement and Participation in Mathematics Assessment

In the table below, provide information on the achievement and participation of students on the mathematics assessments required under Section 1111(b)(2) of the *ESEA* by reporting on: the number of students enrolled during the State's testing window, the number of students who participated in the mathematics assessment, the number of students who took the mathematics assessment and received a valid score, and the number of students who scored at or above proficient. The percentage of students who participated in the assessment and the percentage of students scoring at or above proficient will be calculated automatically.

The student group "children with disabilities (*IDEA*)" includes children with disabilities, as defined under the *Individuals with Disabilities Education Act* (*IDEA*), who participated in the regular assessments with or without accommodations and alternate assessments. Do not include former children with disabilities (*IDEA*). Do not include students only covered under Section 504 of the *Rehabilitation Act of 1973*.

The student group "English learners" should include recently arrived students who are identified as English Learners (ELs) and who have attended schools in the U.S. for less than 12 months. Do not include former ELs (i.e., those who exited EL status prior to the testing window within the past four years).

This table is repeated for each of grades three through eight and once for high school.

1.2.2 Academic Achievement and Participation in Reading/Language Arts Assessment

In the table below, provide information on the achievement and participation of students on the reading/language arts assessments required under Section 1111(b)(2) of the *ESEA* by reporting on: the number of students enrolled during the State's testing window, the number of students who participated in the reading/language arts assessment, the number of students who took the reading/language arts assessment and received a valid score, and the number of students who scored at or above proficient. The percentage of students who were tested and the percentage of students scoring at or above proficient will be calculated automatically.

The student group "children with disabilities (*IDEA*)" includes children who participated in the regular assessments with or without accommodations and alternate assessments. Do not include former children with disabilities (*IDEA*). Do not include students only covered under Section 504 of the *Rehabilitation Act of 1973*.

The student group "English learners" does not include recently arrived students who have attended schools in the United States for fewer than 12 months and who took an assessment of English language proficiency (ELP) in lieu of the State's reading/language arts assessment. Do not include former ELs.

This table is repeated for each of grades three through eight and once for high school.

1.2.3 Academic Achievement and Participation in Science Assessment

In the table below, provide information on the achievement and participation of students on the science assessments required under Section 1111(b)(2) of the *ESEA* by reporting on: the number of students enrolled during the State's testing window, the number of students who participated in the science assessment, the number of students who took the science assessment and received a valid score, and the number of students who scored at or above proficient. The percentage of students who were tested and the percentage of students scoring at or above proficient will be calculated automatically.

1.2.4 Assessment Participation by Assessment Type for Children with Disabilities

This section collects information on children with disabilities' participation in the mathematics, reading/language arts, and science assessments.

1.2.4.1 Participation of Children with Disabilities (IDEA) in Mathematics Assessment

In the table below, provide the number of children with disabilities (*IDEA*) participating during the State's testing window in mathematics assessments required under Section 1111(b)(2) of the *ESEA* by the type of assessment. The percentage of children with disabilities (*IDEA*) who participated in the mathematics assessment for each assessment option will be calculated automatically. The total number of children with disabilities (*IDEA*) participating will also be calculated automatically.

The data provided below should include mathematics participation data from all children with disabilities (*IDEA*) as defined under the *IDEA*. Do not include students only covered under Section 504 of the *Rehabilitation Act of 1973*.

Type of Assessment	# Children with Disabilities (<i>IDEA</i>) Participating	Percentage of Children with Disabilities (<i>IDEA</i>) Participating, Who Took the Specified Assessment

	Yes or No
Did your State receive a waiver under 34 CFR 200.6(c) for the 1% cap on the percentage of students assessed using the alternate assessment based on alternate achievement standards in mathematics in SY2018-19?	NO

Comments: The response is limited to 4,000 characters.

No, the state did not receive a receive a waiver under 34 CFR 200.6(c) for the 1% cap on the percentage of students assessed using the alternate assessment based on alternate achievement standards in mathematics in SY2018-19 as the overall student tested participation rate was 0.97% which is below 1.00% and for the percent of students expected to test, this rate was at 1.06% which rounds down to 1.00%.

1.2.4.3 Participation of Children with Disabilities (IDEA) in Reading/Language Arts Assessment

The data provided should include reading/language arts participation data from all children with disabilities (*IDEA*) as defined under the *IDEA*. Do not include former children with disabilities (*IDEA*). Do not include students only covered under Section 504 of the *Rehabilitation Act of 1973*.

Note: For this question only, report on children with disabilities (*IDEA*) who are also ELs in the U.S. less than 12 months who took the ELP assessment in lieu of the statewide reading/language arts assessment.

1.2.6 Grants for State Assessments and Related Activities**1.2.6.1 Grants for State Assessments and Related Activities**

This section requests information on your State's use of funds under Section 1201 of *ESEA*.

1.2.6.1.1 Percentages of Funds Used for Standards and Assessment Development and Other Purposes

For funds your State had available under Section 1201 of the *ESEA* (Grants for State Assessments and Related Activities) during SY2018-19, estimate what percentage of the funds your State used for the following (round to the nearest ten percent).

Purpose	Percentage (rounded to the nearest ten percent)
To pay the costs of the development of the State assessments and standards required by Section 1111(b) of the <i>ESEA</i>	30.00%
To administer assessments required by Section 1111(b) of the <i>ESEA</i> or to carry out other activities described in Section 1201 of the <i>ESEA</i>	70.00%

1.2.6.1.2 Uses of Funds for Purposes Other than Standards and Assessment Development

For funds your State had available under Section 1201 of the *ESEA* (Grants for State Assessments and Related Activities) during SY2018-19 that were used for purposes other than the costs of the development of the State assessments and standards required by Section 1111(b) of the *ESEA*, for what purposes did your State use the funds? (Enter "yes" for all that apply and "no" for all that do not apply).

Purpose	Used for Purpose (yes/no)
Administering assessments required by Section 1111(b) of the <i>ESEA</i>	YES
Ensuring the provision of appropriate accommodations available to ELs and children with disabilities to improve the rates of inclusion in regular assessments of such children, including professional development activities to improve the implementation of such accommodations in instructional practice.	YES
Developing challenging State academic standards and aligned assessments in academic subjects for which standards and assessments are not required under Section 1111(b) of the <i>ESEA</i> .	NO
Developing or improving assessments of ELs, including assessments of ELP as required under Section 1111(b)(2)(G) of the <i>ESEA</i> and academic assessments in languages other than English to meet the State's obligations under Section 1111(b)(2)(F) of the <i>ESEA</i> .	YES
Ensuring the continued validity and reliability of State assessments.	YES
Refining State assessments to ensure their continued alignment with challenging academic standards and to improve the alignment of curricula and instructional materials.	NO
Developing or improving balanced assessment systems that include summative, interim, and formative assessments, including supporting local educational agencies in developing and improving such assessments.	YES
At the discretion of the State, refining science assessments required under Section 1111(b)(2) of the <i>ESEA</i> in order to integrate engineering design skills and practices into such assessments.	YES
Developing or improving models to measure and assess student progress or student growth on State assessments under Section 1111(b)(2) of the <i>ESEA</i> and other assessments not required under Section 1111(b)(2) of the <i>ESEA</i> .	NO
Developing or improving assessments for children with disabilities, including alternate assessments aligned to alternate academic achievement standards for students with the most significant cognitive disabilities described in Section 1111(b)(2)(D) of the <i>ESEA</i> , and using the principles of universal design for learning.	YES
Allowing for collaboration with institutions of higher education, other research institutions, or other organizations to improve the quality, validity, and reliability of State academic assessments beyond the requirements for such assessments described in Section 1111(b)(2) of the <i>ESEA</i> .	YES
Measuring student academic achievement using multiple measures of student academic achievement from multiple sources.	YES
Evaluating student academic achievement through the development of comprehensive academic assessment instruments (such as performance and technology based academic assessments, computer adaptive assessments, projects, or extended performance task assessments) that emphasize the mastery of standards and aligned competencies in a competency-based education model.	YES
Designing report cards and reports under Section 1111(h) of the <i>ESEA</i> in an easily accessible, user-friendly manner that cross-tabulates student information by any category the State determines appropriate, as long as such cross-tabulations (i) does not reveal personally identifiable information about an individual student, and (ii) is derived from existing State and local reporting requirements. 1.3 TEACHERS

In the tables below, provide the number of teachers for each of the school types listed and the number of teachers who are inexperienced, emergency or provisional credentialed, or out of field. The percentages used for high- and low-poverty schools and the poverty metric used to determine those percentages are reported in the second table. Below the tables are FAQs about these data.

1.3.1 Inexperienced Teachers

In the table below, provide information on the experience of teachers by poverty quartile and level.

School Poverty Level	Total # (FTE) Teachers	# (FTE) Inexperienced Teachers	Percentage Inexperienced Teachers
High-poverty schools	4,658.44	257.66	5.53%
Low-poverty schools	6,223.50	194.98	3.13%
Total schools	21,024.84	834.89

1.3.2 Teachers Teaching with Emergency or Provisional Credentials

In the table below, provide information on the credentials of teachers by poverty quartile and level.

School Poverty Level	Total # (FTE) Teachers	# (FTE) Teachers teaching with emergency or provisional credentials	Percentage Teachers teaching with emergency or provisional credentials
High-poverty schools	4,658.44	54.70	1.17%
Low-poverty schools	6,223.50	36.33	0.58%
Total schools	21,024.84	140.74

1.3.4 Poverty Quartile Breaks

In the table below, provide the poverty quartiles breaks used in determining high- and low-poverty schools and the poverty metric used to determine the poverty quartiles.

	High-Poverty Schools (more than what %)	Low-Poverty Schools (less than what %)
All schools	65.00%	27.20%

Poverty metric used	Rank order all schools from lowest to highest on MT percentage poverty measure(Free and reduced lunch number). Divide the list into four equal groups(when possible). Schools in the first are low-poverty schools. Schools in the highest group are the high-poverty schools.
---------------------	--

FAQ:

How are the poverty quartiles determined? Rank order all schools from highest to lowest on your percentage poverty measure. Divide the list into four equal groups. Schools in the first (highest group) are high-poverty schools. Schools in the last group (lowest group) are the low-poverty schools. Generally, States use the percentage of students who qualify for the free or reduced-price lunch program for this calculation.

1.4 TITLE III AND LANGUAGE INSTRUCTIONAL PROGRAMS

This section collects annual performance and accountability data on the implementation of Title III programs.

1.4.1 EL Enrollment Data**1.4.1.1 Number of ALL ELs Enrolled in the State**

In the table below, provide the October 1 count of ALL ELs in the State who meet the EL definition under Section 8101(21) of the *ESEA*.

- Include newly enrolled (recent arrivals to the U.S.) and continually enrolled ELs, whether or not they receive services in a Title III LIEP.
- Do not include students previously identified as ELs (as described in Section 1111(b)(3)(B) of the *ESEA*) or students who exit LIEPs based on attainment of ELP (as described in Section 3121(a)(4) of the *ESEA*) in the ALL EL student count in this table.

Total ELs	#
Number of ALL ELs in the State	3,390
Number of ELs identified as children with disabilities	667

1.4.2 LIEPs

Note: Section 3201(7) – The term ‘LIEP’ means an instruction course – (A) in which an EL is placed for the purpose of developing and attaining English proficiency, while meeting challenging State academic standards; and (B) that may make instructional use of both English and a child’s native language to enable the child to develop and attain English proficiency and may include the participation of English proficient children if such course is designed to enable all participating children to become proficient in English and a second language.

In the table below, identify the language of instruction (other than English) next to each type of LIEP implemented in the State, as defined under Section 3201(7), as required by Sections 3121(a)(1) and 3122(b)(1) of the *ESEA*.

LIEPs	Language of instruction (if applicable)	Number of ELs Enrolled
Transitional Bilingual		
Dual Language or Two-way Immersion	North American Indian language	4
English as Second language (ESL) or English Language Development (ELD)		
Content Classes with integrated ESL support	English	2,801
Newcomer programs		
Other		

Explain in the comment box below if the State has any additional LIEPs that are not captured in the table above.

The response is limited to 8,000 characters.

Comments: The response is limited to 4,000 characters.

1.4.3 Most Commonly Spoken Languages in the State

In the table below, provide the five most commonly spoken languages, other than English, in the State (for all ELs, not just ELs enrolled in LEAs that received Title III services). The top five languages should be determined by the highest number of ELs speaking each of the languages listed. Report additional languages with significant numbers of ELs in the comment section.

Language	# ELs
English	2,296
German	384
Spanish; Castilian	346
Uncoded languages	87
North American Indian	65

1.4.4 Teacher Information and Professional Development

This section collects information about teachers as required under Section 3122 (b)(5) of the ESEA.

In the table below, report the unduplicated headcount of teachers who are working in LIEPs as defined under Section 3302(7) of the *ESEA* and reported in CSPR Section 1.4.2 (LIEPs) even if they are not paid with Title III funds.

Number of teachers serving in LIEPs (including core content (reading, math, science and social studies) in LEAs receiving Title III funds	Number of certified, licensed or endorsed teachers serving in LIEP in LEAs receiving Title III funds	How many ESL/bilingual education endorsed teachers will be needed for the succeeding 5 fiscal years.*
720	720	50

*This number should be the total additional teachers needed for the next 5 years, not the number needed for each year. Do not include the number of teachers currently working in Title III English language instruction educational programs.

1.4.5 Activities of Subgrantees Related to the Teaching and Learning of ELs

This section aggregates data on LEA-level activities that support the education of ELs with Title III funds.

In the tables below, provide information about allowable activities conducted under Section 3115 of the *ESEA*.

Activities serving ELs in LEAs receiving Title III funds	# LEAs that conducted activity
Supporting the development and implementation of LIEPs	15
Enhancing existing LIEPs and programs for restructuring and reforming schools with ELs	0
Supporting implementation of school wide programs	21
Professional development to teachers and other personnel serving ELs	15
Parent and community engagement activities	0
Supporting the development and implementation of pre-school programs	0
Improving LIEPs by upgrading curricula, instructional materials, software and assessment procedures	17
Improving instruction of ELs with disabilities	0
Providing tutorials, career and technical education	0
Offering programs to help ELs achieve success in post-secondary education	0
Other	0

If State reports a nonzero count of LEAs under "Other", please describe the activities that were conducted during SY2018-19 in the comment box below.

1.4.6 Assistance Provided by SEAs under Section 3111(b)(2)(D) of the ESEA

Provide information on technical assistance and other forms of assistance provided by the SEA to LEAs that are receiving Title III subgrants.

Activities	Check all that apply
Identifying and implementing effective LIEPs and curricula for teaching English learners	YES
Helping ELs meet the same challenging State academic standards that all children are expected to meet	NO
Identifying or developing, and implementing, measures of English proficiency	YES
Strengthening and increasing parent, family, and community engagement in programs that serve ELs	NO
Providing recognition, which may include providing financial awards, to recipients of subgrants under section 3115 that have significantly improved the achievement and progress of ELs	NO
Other	NO

If "Other" is checked, please provide information in the comment box below on the types of technical assistance provided by the SEA to LEAs that aren't captured by the first five types of activities in the table.

1.4.7 Education Programs and Activities for Immigrant Students

In the table below, report the unduplicated number of immigrant students enrolled in schools in the State and the number of immigrant students in LEAs receiving funds under Section 3114(d) of the *ESEA*.

Note: Not all immigrant students are ELs.

# Immigrant Students Enrolled	# Immigrant Students in LEAs receiving funds under Section 3114(d)	# of 3114(d)(1) Subgrants
280	136	4

If State reports zero (0) students in LEAs receiving funds under Section 3114(d) or the *ESEA* or zero (0) subgrants, explain in comment box below.

Table 1.4.7 Definitions:

- 1. Immigrant Students Enrolled:** Number of students who meet the definition of immigrant children and youth under Section 3201(5) of the *ESEA* and enrolled in the elementary or secondary schools in the State.
- 2. Immigrant Students in LEAs receiving funds under Section 3114(d):** Number of immigrant students enrolled in LEAs receiving funds reserved for immigrant education programs/activities under Section 3114(d) of the *ESEA*. This number should not include immigrant students who are enrolled in an LEA that receives Title III funds under Section 3114(a) of the *ESEA*, but not Section 3114(d) of the *ESEA*.
- 3. 3114(d) Subgrants:** Number of subgrants made in the State under Section 3114(d) of the *ESEA*, with funds reserved for immigrant children and youth. Do not include in the count LEAs that receive Title III English language acquisition subgrants made under Section 3114(a) of the *ESEA*, but that do not receive subgrants under Section 3114(d) of the *ESEA*, even if immigrant students are enrolled in those LEAs.

1.4.8 State Subgrant Activities

This section collects data on State subgrant activities.

1.4.8.1 State Subgrant Process

In the table below, report the time between when the State receives the Title III allocation from the U.S. Department of Education (ED), normally on July 1 of each year for the upcoming school year, and the time when the State distributes these funds to subgrantees for the intended school year. Dates must be submitted using the MM/DD/YY format.

Example: State received SY2018-19 funds July 1, 2018, and then made these funds available to subgrantees on August 1, 2018, for SY2018-19 programs. Then the “# of days/\$\$ Distribution” is 30 days.

Date State Received Allocation	Date Funds Available to Subgrantees	# of Days/\$\$ Distribution
7/1/2020	7/1/2020	0

Table 1.4.8.1 Definitions:

1. **Date State Received Allocation** = Date the State receives the Title III allocation from ED.
2. **Date Funds Available to Subgrantees** = Date that Title III funds are available to approved subgrantees.
3. **# of Days/\$\$ Distribution** = Average number of days for States receiving Title III funds to make subgrants to subgrantees beginning from July 1 of each year, except under conditions where funds are being withheld.
