

CONSOLIDATED STATE PERFORMANCE REPORT PART II

SCHOOL YEAR 2021-2022

DELAWARE

The Consolidated State Performance Report (CSPR) is the required annual reporting tool for each State, the Bureau of Indian Education, District of Columbia, and Puerto Rico as authorized under Section 8303 of the Elementary and Secondary Education Act (ESEA), as amended by the Every Student Succeeds Act of 2015 (ESSA)

Paperwork Burden Statement

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless such collection displays a valid OMB control number. The valid OMB control number for this information collection is 1810-0724. The time required to complete this information collection is estimated to average 36.50 hours per response, including the time to review instructions, search existing data resources, gather the data needed, and complete and review the information collection. The obligation to respond to this collection is required to obtain or retain a benefit under the Elementary and Secondary Education Act (ESEA), as amended by the Every Student Succeeds Act (ESSA). If you have any comments concerning the accuracy of the time estimate(s) or suggestions for improving this form, please write to: U.S. Department of Education, Washington, DC 20202-4537. If you have comments or concerns regarding the status of your individual submission of this form, write directly to: Office of Elementary and Secondary Education, U.S. Department of Education, 400 Maryland Avenue, S.W., Washington, DC 20202.

2.1 ACCOUNTABILITY

2.1.2 Schools Identified for Comprehensive Support and Improvement

In the table below, provide the number of schools identified for comprehensive support and improvement by reason identified.

Populated with SY2022-2023 SCH-LEVEL FS206/DG842 and FS212/DG866.

Reason Type	Number of Schools	Number of Title I Schools	Number of Non-Title I Schools
Lowest performing five percent of Title I schools	8	.	.
High schools failing to graduate one third or more of their students	2	.	.

2.1.3 Schools Implementing Targeted Support and Improvement Plans

In the table below, provide the number of schools implementing targeted support and improvement plans.

Populated with SY2022-2023 SCH-LEVEL FS206/DG842 and FS212/DG867.

Reason Type	Number of Schools	Number of Title I Schools	Number of non-Title I Schools
Schools with One or More Consistently Underperforming Subgroups of Students	26	.	.

2.1.4 Section 1003 of the ESEA School Improvement Funds

In the tables below, provide the amount of Section 1003 funds of the ESEA allocated to each district and school.

2.1.4.1 Section 1003 of the ESEA Allocations to LEAs

For each LEA receiving a 1003(a) allocation, list the amount of the allocation.

Populated with SCH-LEVEL FS132/DG794.

Data published outside report.

2.1.4.2 Section 1003 of the ESEA Allocations to Schools

For each school receiving a Section 1003(a) allocation of the ESEA, list the amount of the allocation.

Populated with SCH-LEVEL FS132/DG794.

Data published outside report.

2.2 GRADUATION RATES AND POSTSECONDARY ENROLLMENT

This section collects data on graduation rates and rates of postsecondary enrollment.

2.2.1 Four Year Adjusted Cohort Graduation Rates

In the table below, provide the State's four year adjusted cohort graduation rates for the current reporting period.

Populated with SEA-LEVEL FS150/DG695 and FS151/DG696.

Student Group	# of Graduates	# of Students in Cohort	Graduation Rate
All students	S	11037	87.8
American Indian or Alaska Native	S	72	84

Children who are homeless	S	492	70

Frequently asked questions (FAQs) on graduation rates:

What is the adjusted cohort graduation rate? The adjusted cohort graduation rate is described in sections 8101(23) and 8101(25) of the ESEA.

2.2.2 Postsecondary Enrollment

In the table below, provide counts of students who enrolled in programs of postsecondary education during the current reporting period.

Populated with SEA-LEVEL FS160/DG739.

Student Group	# Enrolled in an IHE	# Not Enrolled in an IHE	# For Which Data Are Unavailable	Total
All students	3305	S	2179	S

2.3 TITLE I, PART A PROGRAM PARTICIPATION

The following sections collect data on students participating in Title I, Part A by various student characteristics.

2.3.1 Student Participation in Public Title I, Part A by Special Services or Programs

In the table below, provide the number of public school students served by either Public Title I Schoolwide Programs (SWPs) or Targeted Assistance programs (TAS) at any time during the regular school year for each category listed. Count each student only once in each category even if the student participated during more than one term or in more than one school or district in the State. Count each student in as many of the categories that are applicable to the student. Include pre-kindergarten through grade 12. Do not include the following individuals: (1) adult participants of adult literacy programs funded by Title I, (2) private school students participating in Title I programs operated by local educational agencies, or (3) students served in Part A local neglected programs.

Populated with SEA-LEVEL FS037/DG548.

Special Services or Programs	# Students Served
Children with disabilities (IDEA)	18869
English learners	13549
Homeless students	2415
Migrant students	80

2.3.2 Student Participation in Public Title I, Part A by Racial/Ethnic Group

In the table below, provide the unduplicated number of public school students served by either Title I SWP or TAS at any time during the regular school year. Each student should be reported in only one racial/ethnic category. Include pre-kindergarten through grade 12. The total number of students served will be calculated automatically.

Do not include (1) adult participants of adult literacy programs funded by Title I, (2) private school students participating in Title I programs operated by local educational agencies, or (3) students served in Part A local neglected programs.

Populated with SEA-LEVEL FS037/DG548.

Race Ethnicity	# Students Served
American Indian or Alaska Native	418
Asian	3497
Black or African American	31763
Hispanic or Latino	21637

2.5 PREVENTION AND INTERVENTION PROGRAMS FOR CHILDREN AND YOUTH WHO ARE NEGLECTED, DELINQUENT, OR AT RISK

This section collects data on programs and facilities that serve students who are neglected, delinquent, or at risk under Title I, Part D, and characteristics about and services provided to these students.

Throughout this section:

- Report data for the program year of July 1, 2021 through June 30, 2022.
- Count programs/facilities based on how the program was classified to ED for funding purposes.
- Do not include programs funded solely through Title I, Part A.
- Use the definitions listed below:

o Adult Corrections: An adult correctional institution is a facility in which persons, including persons 21 or under, are confined as a result of conviction for a criminal offense.

o At-Risk Programs: Programs operated (through LEAs) that target students who are at risk of academic failure, dependency adjudication, or delinquency adjudication, have a drug or alcohol problem, are pregnant or parenting, have been in contact with the juvenile justice or child welfare system in the past, are at least 1 year behind the expected age/grade level, are English learners, are gang members, have dropped out of school in the past, or have a high absenteeism rate at school.

o Juvenile Corrections: An institution for delinquent children and youth that is a public or private residential facility other than a foster home that is operated for the care of children and youth who have been adjudicated delinquent or in need of supervision. Include any programs serving adjudicated youth (including non-secure facilities and group homes) in this category.

o Juvenile Detention Facilities: Detention facilities are shorter-term institutions that provide care to children who require secure custody pending court adjudication, court disposition, or execution of a court order, or care to children after commitment.

o Neglected Programs: An institution for neglected children and youth is a public or private residential facility, other than a foster home, that is operated primarily for the care of children who have been committed to the institution or voluntarily placed under applicable State law due to abandonment, neglect, or death of their parents or guardians.

o Other: Any other programs, not defined above, that receive Title I, Part D funds and serve non-adjudicated children and youth.

2.5.1 State Agency Title I, Part D Programs and Facilities - Subpart 1

The following questions collect data on Title I, Part D, Subpart 1 programs and facilities.

2.5.1.1 Programs and Facilities - Subpart 1

In the table below, provide the number of State agency Title I, Part D, Subpart 1 programs and facilities that serve neglected and delinquent students and the average length of stay by program/facility type, for these students. Report only programs and facilities that received Title I, Part D, Subpart 1 funding during the reporting year. Count a facility once if it offers only one type of program. If a facility offers more than one type of program (i.e., it is a multipurpose facility), then count each of the separate programs. The total number of programs/facilities will be automatically calculated. Below the table is a FAQ about the data collected in this table.

State Program or Facility Type	# Programs or Facilities	Average Length of Stay in Days
Adult corrections	.	.
Juvenile corrections	2	180
Juvenile detention	2	20
Neglected programs	3	30
Other programs	.	.
Total	.	.

FAQ on programs and facilities - subpart 1:

How is average length of stay calculated? The average length of stay should be weighted by number of students and should include the number of days, per visit, for each student enrolled during the reporting year, regardless of entry or exit date. Multiple visits for students who entered more than once during the reporting year can be included. The average length of stay in days should not exceed 365.

Data Quality Comments
Based upon number of student's served and sentencing documents as well as bonding information for short term facilities.

2.5.1.2 Programs and Facilities That Reported - Subpart 1

In the table below, provide the number of State agency Title I, Part D, Subpart 1 programs/facilities that reported data on neglected and delinquent students. The total row will be automatically calculated.

State Program Facility Type	# Reporting Data

2.5.1.3 Students Served - Subpart 1

In the tables below, provide the number of neglected and delinquent students served in State agency Title I, Part D, Subpart 1 programs and facilities. Report only students who received Title I, Part D, Subpart 1 services during the reporting year. In the first table, provide, in row 1, the unduplicated number of students served by each program, and, in row 2, the total number of students in row 1 who are long-term. In the subsequent tables provide the number of students served by disability (IDEA) and EL status, by race/ethnicity, by sex, and by age. The total number of students by race/ethnicity, by sex, and by age will be automatically calculated.

Populated with SEA-LEVEL FS119/DG656.

FAQ on unduplicated count:

What is an unduplicated count? An unduplicated count is one that counts students only once, even if they were admitted to a facility or program multiple times within the reporting year.

FAQ on long-term:

What is long-term? Long-term refers to students who were enrolled for at least 90 consecutive calendar days from July 1, 2021 through June 30, 2022.

2.5.1.4 Academic, Career, and Technical Outcomes While in the State Agency Program/Facility or within 90 Calendar Days after Exit

In the tables below, for each program type, provide the number of students who attained academic, career, and technical outcomes.

The first table includes outcomes a student is able to achieve only after exit. In this table, provide the unduplicated number of students who enrolled or planned to enroll in their local district school within 90 calendar days after exiting. A student may be reported only once per program type.

The second table includes outcomes a student is able to achieve only one time. In this table, provide the unduplicated number of students who attained the listed outcomes either in the while enrolled in the State agency program/facility column ('in fac.') or in the within 90 calendar days after exiting column. A student may be reported only once across the two time periods per program type.

The third table includes outcomes a student may achieve more than once. In the 'in fac.' column, provide the unduplicated number of students who attained academic, career and technical outcomes while enrolled in the State agency program/facility. In the '90 days after exit' column provide the unduplicated number of students who attained academic, career, and technical outcomes within 90 calendar days after exiting. If a student attained an outcome once in the program/facility and once during the 90-day transition period, that student may be reported once in each column.

Populated with SEA-LEVEL FS180/DG783 and FS181/DG785.

2.5.2 Academic Performance - Subpart 1

The following questions collect data on the academic performance of neglected and delinquent long-term students served by Title I, Part D, Subpart 1 in reading and mathematics.

2.5.2.1 Academic Performance in Reading - Subpart 1

In the table below, provide the unduplicated number of long-term students served by Title I, Part D, Subpart 1, who participated in reading pre-and post-testing. Students should be reported in only one of the four change categories.

Report only information on a student's most recent testing data. Students who were pre-tested prior to July 1, 2021, may be included if their post-test was administered during the reporting year. Students who were post-tested after the reporting year ended should be counted in the following year. Below the table is an FAQ about the data collected in this table.

Populated with SEA-LEVEL FS113/DG628.

Performance Data (Based on Most Recent Pre Post-Test Data)	Neglected Programs	Juvenile Detention	Juvenile Corrections	Adult Corrections	Other Programs
Long-term students with negative grade level change from the pre- to post-test exams		19	S	S	19

2.5.3 LEA Title I, Part D Programs and Facilities - Subpart 2

The following questions collect data on Title I, Part D, Subpart 2 programs and facilities.

2.5.3.1 Programs and Facilities - Subpart 2

In the table below, provide the number of LEA Title I, Part D, Subpart 2 programs and facilities that serve neglected and delinquent students and the yearly average length of stay by program/facility type for these students. Report only the programs and facilities that received Title I, Part D, Subpart 2 funding during the reporting year. Count a facility once if it offers only one type of program. If a facility offers more than one type of program (i.e., it is a multipurpose facility), then count each of the separate programs. The total number of programs/facilities will be automatically calculated. Below the table is an FAQ about the data collected in this table.

LEA Program or Facility Type	# Programs or Facilities	Average Length of Stay (# days)
At-risk programs	0	.
Juvenile corrections	0	.
Juvenile detention	0	.
Neglected programs	0	.
Other programs	0	.
Total	0	.

FAQ on average length of stay:

How is average length of stay calculated? The average length of stay should be weighted by number of students and should include the number of days per visit for each student enrolled during the reporting year, regardless of entry or exit date. Multiple visits for students who entered more than once during the reporting year can be included. The average length of stay in days should not exceed 365.

2.5.3.3 Students Served - Subpart 2

In the tables below, provide the number of neglected and delinquent students served in LEA Title I, Part D, Subpart 2 programs and facilities. Report only students who received Title I, Part D, Subpart 2 services during the reporting year. In the first table, provide, in row 1, the unduplicated number of students served by each program, and, in row 2, the total number of students in row 1 who are long-term. In the subsequent tables, provide the number of students served by disability (IDEA), and EL status, by race/ethnicity, by sex, and by age. The total number of students by race/ethnicity, by sex, and by age will be automatically calculated.

Populated with LEA-LEVEL FS127/DG657.

Provide the number of students served by special populations.

Provide the number of students served by race/ethnicity.

Provide the number of students served by sex.

Provide the number of students served by age.

FAQ on unduplicated count:

What is an unduplicated count? An unduplicated count is one that counts students only once, even if they were admitted to a facility or program multiple times within the reporting year.

FAQ on long-term:

What is long-term? Long-term refers to students who were enrolled for at least 90 consecutive calendar days from July 1, 2021 through June 30, 2022.

2.5.3.4 Academic, Career, and Technical Outcomes While in the LEA Program/Facility or within 90 Calendar Days after Exit

In the tables below, for each program type, provide the number of students who attained academic, career, and technical outcomes.

The first table includes outcomes a student is able to achieve only after exit. In this table, provide the unduplicated number of students who enrolled or planned to enroll in their local district school within 90 calendar days after exiting. A student may be reported only once per program type.

The second table includes outcomes a student is able to achieve only one time. In this table, provide the unduplicated number of students who attained the listed outcomes either in the while enrolled in the LEA program/facility column ('in fac.') or in the within 90 calendar days after exiting column. A student may be reported only once across the two time periods per program type.

The third table includes outcomes a student may achieve more than once. In the 'in fac.' column, provide the unduplicated number of students who attained academic, career and vocational outcomes while enrolled in the LEA program/facility. In the '90 days after exit' column provide the unduplicated number of students who attained academic, career and vocational outcomes within 90 calendar days after exiting. If a student attained an outcome once in the program/facility and once during the 90 day transition period, that student may be reported once in each column.

Populated with LEA-LEVEL FS180/DG782 and FS181/DG784.

2.5.3.5 Academic Performance - Subpart 2

The following questions collect data on the academic performance of neglected and delinquent long-term students served by Title I, Part D, Subpart 2 in reading and mathematics.

2.5.3.5.1 Academic Performance in Reading - Subpart 2

In the table below, provide the unduplicated number of long-term students served by Title I, Part D, Subpart 2, who participated in reading pre- and post-testing. Students should be reported in only one of the four change categories. Reporting pre- and post-test data for at-risk students in the table below is optional.

Report only information on a student's most recent testing data. Students who were pre-tested prior to July 1, 2021, may be included if their post-test was administered during the reporting year. Students who were post-tested after the reporting year ended should be counted in the following year. Below the table is an FAQ about the data collected in this table.

Populated with LEA-LEVEL FS125/DG629.

FAQ on long-term:

What is long-term? Long-term refers to students who were enrolled for at least 90 consecutive calendar days from July 1, 2021, through June 30, 2022.

Is reporting pre/post-test data for at-risk programs required? No, reporting pre/post-test data for at-risk students is no longer required, but States have the option to continue to collect and report it within the CSPR.

2.5.3.5.2 Academic Performance in Mathematics - Subpart 2

In the table below, provide the unduplicated number of long-term students served by Title I, Part D, Subpart 2, who participated in mathematics pre- and post-testing. Students should be reported in only one of the four change categories. Reporting pre- and post-test data for at-risk students in the table below is optional.

Report only information on a student's most recent testing data. Students who were pre-tested prior to July 1, 2021, may be included if their post-test was administered during the reporting year. Students who were post-tested after the reporting year ended should be counted in the following year.

Populated with LEA-LEVEL FS125/DG629.

2.6 STUDENT SUPPORT AND ACADEMIC ENRICHMENT GRANTS (TITLE IV, PART A)

2.6.1 Funds Spent Under Title IV, Part A

This section collects data on the amount of funds spent by LEAs on the three content areas under Title IV, Part A of the ESEA.

Content Area	Amount of Funds Spent
Well-Rounded	\$761,634
Safe and Healthy Students	\$582,819
Effective Use of Technology	\$295,697

Data Quality Comments

The data provided has been corrected. The amount of Title IV-A Funds spent by LEAs in the three focus areas is significantly low in comparison to the overall allocation to the state and is reflective of the number of LEAs (28) that transferred funds from Title IV-A to other eligible Title Programs. Also, please note that the state of DE has a Tydings Waiver for this period and funds are still being spent.

2.6.2 LEAs Who Spent Funds Under Title IV, Part A

This section collects data on the number of LEAs who spent funds by the content areas under Title IV, Part A of the ESEA. For the 'Any' category, report the number of LEAs that spent funds in any of the three content areas. An LEA should be included in the count of each content area it spent funds on (i.e. an LEA may be represented in more than one content area in the table below).

Content Area	Number of LEAs Spending Funds
Well-Rounded	12
Safe and Healthy Students	11
Effective Use of Technology	11
Any Content Area	3

Data Quality Comments

The number of LEAs spending funds across the three content areas is low due to the number of LEAs that transferred their funds from Title IV-Part A to other eligible Federal programs.

2.8.2 RLIS Objectives and Outcomes

In the space below, describe the progress the State has made in meeting the objectives and outcomes for the Rural Low-Income School (RLIS) Program as described in the State's most current Consolidated State Application. If providing quantitative data along with your narrative, please ensure all data is converted to text format.

Comments

Delaware's most current Consolidated State Application does not include our RLIS programs because Delaware is rarely awarded these funds.

2.8.3 RLIS Technical Assistance

In the space below, describe the progress the State has made in providing technical assistance for RLIS LEA sub-grantees as described in the State's most current Consolidated State Application. If providing quantitative data along with your narrative, please ensure all data is converted to text format.

Comments
Delaware's most current Consolidated State Application does not include our RLIS programs because Delaware is rarely awarded these funds.

2.8.4 RLIS Subgrant Award Determination

Please report the method the SEA used to award grants to eligible LEAs. If the SEA used a competitive process, please describe that process and include a description of the methods and criteria the SEA used to review applications, award funds to LEAs, and how the LEAs were notified of the process. If the SEA used a formula besides one based on the number of students in average daily attendance served by eligible LEAs in the State, please describe that formula, including an explanation of how this alternative formula enables the SEA to allot grant funds in a manner that serves equal or greater concentrations of children from families with incomes below the poverty line, relative to the concentration that would be served if the SEA used a formula based on the number of students in average daily attendance served by eligible LEAs in the State.

Comments
The amount of funds distributed to the two (2) LEAs were awarded as indicated by the REAP Master Eligibility Spreadsheet. One LEA was Hold Harmless, and the amount was predetermined. The other LEA was awarded the remaining funds of the total provided to the state.

2.8.5 RLIS State Administrative Funds

In the table below, provide information on state administrative funds.

Question	Percentage
What percentage of the RLIS grant funds were retained for State-level administration?	0
What percentage of those funds retained for State-level administration were used specifically for technical assistance?	0
